Guests Present: Dennis Patton, Chairman of the Columbia Heritage and Preservation Commission and Alberta Spradling, Chairman of the St. Paul's Lutheran Church Historic Board.

Chairman Ebersohl stated the meeting was called for the purpose of (1) receiving a presentation on the Kaskaskia-Cahokia Trails; and (2) reviewing/discussing (i) the St. Paul's Lutheran Church Historic Board's water connection fees request; (ii) an Attorney General's opinion concerning Executive Sessions; and (iii) any other items to be considered.

II. KASKASKIA-CAHOKIA TRAILS PRESENTATION (BY DENNIS PATTON)

Chairman Ebersohl opened the meeting and called upon Community and Economic Development Director Paul Ellis, who made introductory remarks and informed the Committee Members that resolutions will be presented in the near future in Monroe County, the City of Waterloo and the City of Columbia to advocate marking the trails to be discussed in Dennis Patton's presentation – he then introduced Dennis Patton. Dennis made a PowerPoint presentation entitled "Kaskaskia-Cahokia Trails" containing a history of the trails (an upper trail and a lower trail) and the significance they played in the development of the land in this area. The presentation began in the late 1600s and contained pictures, maps and depictions of the trails, as well as life along the trails – it identified several buildings (many of historic significance) in the areas along the trails (including many in the City of Columbia) and it incorporated pictures showing travel by

water and land (e.g., by horseback, stagecoach, train, street car, bicycle, car, etc.). During Dennis's presentation, all in attendance were given the opportunity to ask questions and make comments – many of which were complimentary of the presentation and the historical significance of the information it contained.

III. ST. PAUL'S LUTHERAN CHURCH WATER CONNECTION FEES

DISCUSSION

City Engineer Ron Williams briefly reviewed the letter submitted by Alberta Spradling, Chairman of St. Paul's Lutheran Church Historic Board, dated January 7th, requesting a waiver of water connection fees for the church and school buildings – Ron indicated that for the church members/general public to be able to use the buildings, the State Plumbing Code requires that restroom facilities be available – he also indicated that sanitary sewer connections would be needed and then reviewed the connection fees (i.e., \$1,870/water connection and \$2,070/sanitary sewer connection). Alberta Spradling then addressed the Committee Members and gave a brief history of the buildings and the Church Historic Board's plans to restore the buildings so they can be used – she said the church has been cleaned and they are beginning to work on cleaning the school building – they then plan to renovate the buildings, but their funds are limited and, therefore, they are requesting the connection fee waivers. During Ms. Spradling's presentation, all in attendance were given the opportunity to ask questions and make comments.

MOTION:

It was moved by Alderman Agne and seconded by Alderman Niemietz to recommend to the City Council that the water connection and sanitary sewer connection fees be waived for the St. Paul's Lutheran Historic Church and school buildings located on W. Liberty Street. Upon Roll Call vote, Chairman Ebersohl and Aldermen Agne, Niemietz, Roessler, Huch, Mathews and Reis voted yea. **MOTION CARRIED.**
